## 01 State of the Fraternity

Fellow Fraters,

I am proud of our growth as a Chapter in the Tau Kappa Epsilon Fraternity and I am proud of the growth I have seen on the individual level of our membership. Each brother has grown in maturity, foresight, organizational skills, and leadership ability. As a member of the Executive Board, I have been able to see the improvement first hand and have helped to guide my brothers, and in turn future brothers, to reach their true potential as collegiate students as well as men who will make a positive difference in the world. I am proud to see our alumni base growing in both numbers and in excitement.

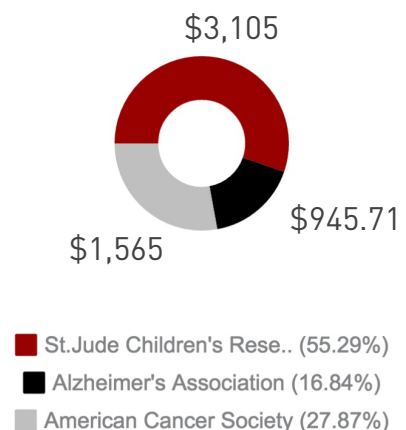

The Chapter has sixty-five men after initiating another twenty this month. With the addition of the Lambda class, I feel much more comfortable knowing we have leaders in place who are ready to take control of this fraternity and do so in the right way. The future of this chapter looks very bright and with the positive attitude that we exemplify, the town, the school, and Greek Life will soon take note and take pride in our growth and positive impact on the community at large. I hope this newsletter finds you and your loved ones well. Thank you all for your help and support.

Yours In The Bond,  
Seth Davidson

## 02 Philanthropy Update

It's been an excellent semester of philanthropy and service for the fraters of the Epsilon-Beta chapter of Tau Kappa Epsilon. The selection of Frater Matthew O'Malley as the new Philanthropy Chair has led to several successful philanthropy walks and fundraising as well as a rise in campus presence for the fraternity. This year's Signature day brought in \$500 and brought together Independents and Greeks alike enjoyed fun games while raising money for a good cause, St. Jude Children's Research Hospital. This semester's philanthropy events have been amazing, and plans for next semester are even bigger. Stay tuned!

## 05 Semi Formal In Daytona

For the Epsilon Beta's annual semi-formal we went to Daytona, Florida to celebrate a semester filled with hard work and success. The event was planned by Frater Conor Kelly in partnership with the Executive Board.

On Friday night we stayed in Tampa and had time to mingle with alumni at Scooters Saloon. On Saturday morning we left to Daytona. We stayed at the Ocean Breeze Club Hotel with an ocean front view. Fraters and their dates spent their morning on the beach sunbathing, playing volleyball, and other recreational activities. Saturday night we spent at OceanBreeze Tap House, where it was filled with laughter, dancing, and performances.

Fall 2016's semi-formal was a success. It brought brother's closer together and allowed us to celebrate a semester of hardwork before heading into final exams.
