

ZETA BETA TAU KAPPA EPSILON

Term: Spring | Issue 1 | Date: February 2, 2018

NEW SEMESTER

A full month has passed now since the start of the Spring semester. With some less than favorable weather and an unusually high cold and flu rate, it's off to a strong start.

That hasn't deterred TKE from getting right back in the swing of things and striving to make this semester a great one.

ALUMNI OUTREACH

TKE is a fraternity for life, and we are making an effort to get a comprehensive contact list of our alumni. If you would like to add your info, or know someone who would, please feel to reach out to us at tkezetabeta@gmail.com or message us through our Facebook page facebook.com/TKEZetaBeta

MEET A TKE

Matt Horton is a Junior Computer Engineering major and our newly elected President. An Evansville native, Matt's goals are to focus down on Rush and Philanthropy and maintain our housing improvement trend.
