

TKE - ZΩ

Alumni Newsletter

In this Issue:

- Recap of Philanthropy and service accomplished so far
- Homecoming success and building on it
- Charter recovered!
- Province Forum
- Updated roster

Starting off the New Year!

In this new monthly newsletter we will be going over the topics listed to the left, so that our alumni are well informed of our successes and the current state of our chapter as we strive to improve.

Recap of Philanthropy

Last semester we held two major Philanthropy events to raise money for St. Jude Children's Research Hospital:

▽ The Annual TKE Pumpkin Palooza

- **\$240** raised and donated

▽ Walmart Canning

- **\$600** raised and donated

Along with that, our Chapter Advisor Adam Olson donated **\$112** worth of animal food and treats to the Washington Area Humane Society on behalf of the chapter. The chapter consistently volunteers at the WAHS as well.

Conclave 2017 will be held in New Orleans, Louisiana on August 3rd-6th! We will be meeting with chapters' active members and alumni from all across the U.S.A. and Canada ! Any donations to help our fraters make the trip will be greatly appreciated!

Current Chapter of Zeta Omega

Homecoming-TKE for Life

We had a fantastic homecoming last semester and met with a lot of alumni that we do not get to see very often. We saw that as a very successful step in re-establishing contact with our alumni and getting them more involved with our chapter once again. One of the most important sources of support for a fraternity chapter is its alumni, and our chapter is hoping to prove we deserve that support and knowledge, and we hope to use these resources to keep the charter alive and going for years to come!

Homecoming 2016 featured a crawfish boil cookout

Charter Recovered!

At our homecoming party, one of our alumni, Steve Heisler, found our charter from 2007 and gave it to the active chapter, along with several other items from the Zeta Omega chapter's history. We are ecstatic to have the charter in our active members' possession once again and proud to know that the alumni think we are trustworthy enough to have it. It is currently nailed (securely) to the wall of our chapter room.

Province Forum 2017

Our chapter attended the Steel Province forum hosted by the Rho Chapter at West Virginia University and had a great time learning from Sergeant First Class James Upton, a Grand Province Advisor and professional Army recruiter, and Christopher Niles, the Alumni Engagement Director for headquarters. These two men were very informative and helpful giving advice, ideas, and suggestions to our chapter's representatives about recruiting, Philanthropy, chapter motivation, etc.

Roster Update:

Here is the current roster of our chapter's Executive Board that are heading up the work on building this chapter:

Prytanis: Josh Worstell

Epiprytanis: Craig Lion
