

Finally after all the struggle and long hours over years, you earned your degree.

Your journey at SOU and in TKE doesn't have to end here. We in Iota-Delta hope to see you at alumni reunions, Homecoming, and other BIG events soon to come we haven't even thought of yet.

Please take a moment to join the [SOU Alumni Association](#) and the [Life Loyal Teke](#) today using non-SOU emails. Both come with **various benefits and discounts**, some which are **free upon registering**.

Help us in TKE ensure Greek Life becomes the biggest part of SOU, both as undergrads and as alumni in your generous donations in time, money, networking and mentorship for years to come.
