The energy at Lambda-Upsilon is flowing as we are preparing for this semester's Spring Alumni Event! We are excited to have all alumni join us as we celebrate a weekend filled with barbecue, beer, and brothers! In addition to the grill-out, we will be hosting the "Fraternity for Life" ritual on Sunday, April 14th. If any alumni are interested in participating in this ritual, please contact Histor Sawyer Champlin for more details! (423-802-5935)

Spring 2019 Brotherhood Retreat

March ended with a bang as Lambda-Upsilon headed up to Hayesville, North Carolina for a relaxing weekend in the mountains. Located on Lake Chatuge, brothers enjoyed endless activities including team-building exercises, chapter discussions, and reminding each other what it means to be brother in the bond!

March Philanthropy

Lambda-Upsilon is always looking for ways to get more involved with philanthropy and there is no better way than supporting the sororities at Georgia Southern. Pictured left, brothers enjoyed a great day at the Chi-O Cook-off benefiting the Make-a-wish foundation! Pictured right, brothers had a great time playing bubble soccer at AOII's Strike Out for Arthritis!

Teke of the Month

The Teke of this month goes to our very own Roman Ammar! Pictured left, Roman was elected Hypophetes in December and has been working hard at the position ever since. With a focus on brotherhood, Roman has created new events for the fraternity in order to improve chapter moral and help forge a bond between old and new guys. Only being a freshmen, we are excited to see the potential that Roman has to offer!

Spring Break 2019

Spring Break was all about TKE as brothers and alumni enjoyed a fun-filled week in Sandestin, Florida! After a week of spring break, then a get-away weekend in North Carolina, the men of Lambda-Upsilon are ready to take on an event filled April!
