That's right! Lambda Upsilon is proud to announce this semester's Alumni Event on April 13th! Located at 256 Booster Boulevard, we are inviting all alumni to join us in an afternoon filled with beer, barbecue, and brothers. Starting at noon, we will grill all meat that is brought as we look forward to socializing with our alumni!

## Spring 2019 Alumni Shirt

Gildan Ultra Cotton T-shirt – Cherry Red

Featured with the Alumni Event this April, we would like to present this semester's Alumni Shirt. The bold TKE Alumni Crest stands out on the classic cherry red as this shirt brings back what it means to be a Teke. The order form for this shirt closes March 28th and will be available for pickup from us at the JJ Love Grill-out!

## RLC Atlanta

Our executive board had a great time at the Regional Leadership Conference in Atlanta. From listening to great speakers to group breakout sessions, we have learned what it takes to build a championship culture. Everyday, we are looking for ways to bring that culture to our campus and create better men for a better world. We hope you follow us on social media as we work at building a championship culture.

## Teke of the Month

The Teke of the month goes to the one and only Brandon Parker. One of our most recent initiates, Brandon, (pictured left), has exceeded expectations in his position as social chair while also giving it his all in the race for AOII's Panda Man. Brandon is also apart of our soccer team and participated in multiple Greek week events. We are looking forward to what Brandon has planned for Spring Formal 2019!

## Spring Rush 2019

Lambda-Upsilon is flowing with energy as we welcome a record-breaking spring rush class into candidacy! In doing so, we would also like to invite our alumni to help us in initiating this class at 6pm on Saturday, April 6th, 256 Booster Boulevard! This new group of men is ready to take on anything that stands in our way this spring and we want our alumni to be apart!
