Oscar Kay is from New Paltz, New York. He is majoring in Marine Biology.

Alгоре Nklema is from Paris, France. He is majoring Aviation management and flight.

Zander Miller is from Satellite Beach, Melbourne. He is majoring in Computer Engineering.

TKE Toy Drive

We did the TKE Toy Drive this year for the kids of University Park Elementary School down the street from FIT. We were able to raise about \$1000 in gifts and monetary donations to sponsor a total of 7 kids.

Fraters Arnold Yanga #515 and Ali Abbas #517 filmed and edited the video for this event. The link below will bring you to the video on facebook.

Rush, Induction, Process & Initiation Date

This is the new rush shirt for the semester. Credits to Frater Buddy Franzese (#543). Rush week went well. We hosted many good events, but there is always room for improvement. We have just inducted three new guys into the process.

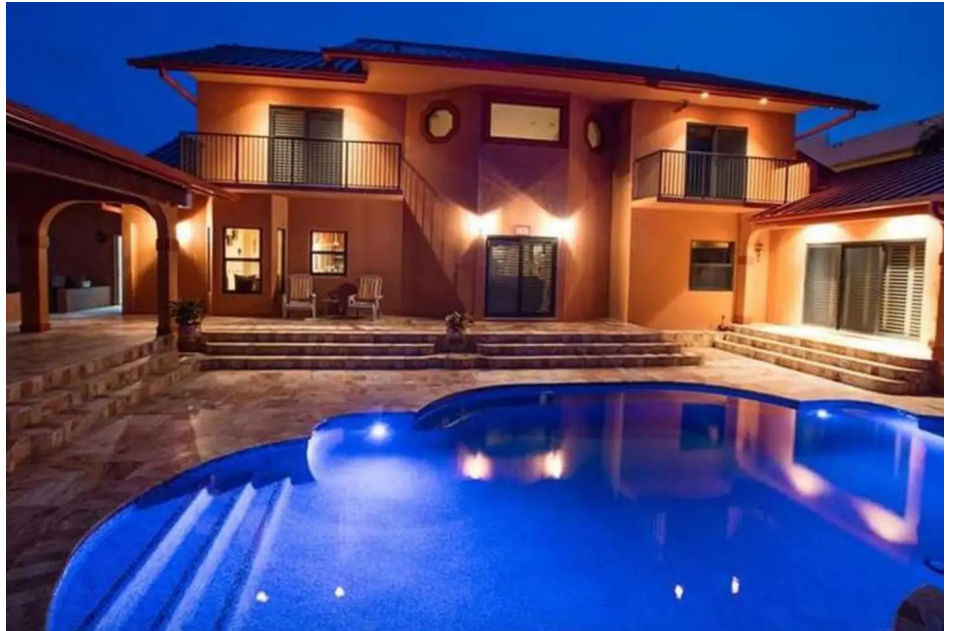

The Hegemon's, Frater Matthew Ryan (#539), plan this semester is to have actives at every class on Sunday to familiarize the actives with candidates and also the candidates with actives. Quizzes plan to be on Thursday night.

Initiation is scheduled to be on March 31st.

Alumni Events

There are two alumni events we are planning for this semester. There will be one on March 16 on St. Patties weekend in the heart of Greek Week 2019. The other one will be on April 18 one day before RCB. Events will be at the Greek Village house where food and refreshments will be served as well as valued time to catch up alumni with the fraternity. If anyone has any input on activities they would like to see during these events, please contact me.

Red Carnation Ball

Red Carnation Ball is going to be on April 19 to April 21. The location is TBD. An idea that has been expressed from the seniors this year is to rent a large vacation home for all of the actives to stay in instead of doing an hotel this year. If any of you guys are interested in staying in the vacation house, we will look into a bigger option or a different idea. The location will be updated on the next newsletter.

Bowling For Brains

Bowling for Brains is scheduled to be on February 12 9:30 pm to 12pm at Shore Lanes in Melbourne. The chapter plans on tabling for 7 days from February 4 to February 12. A donation page/link is going to be set up for this event for family, friends, and whoever who would like to donate.
