# RUSH WEEK FALL 2016

Fraters, I give you the Gamma Gamma pledge class of the Fall 2016 Rush.

These young men are excited about taking the next step into becoming future fraters of Tau Kappa Epsilon. With proper guidance we will help shape these young men into the future faces of the chapter.

**Pledge Class Size- 32**  
**Greek Rank- 7th of 28**

This is the biggest class that we have had come through since refounding. With the substantial increase in pledge class size over the years we have established a solid reputation on campus. This chapter has potential to exceed expectations of previous fraters and current chapter members. With all the effort that this chapter has given in the past few years of rush we are proud to say that we are ready to take the next step and build a lodge. Lets spend our 40th year giving back to the chapter that shaped us and our future.

# Building the Future

With the Chapters continuing success we have realized that we are ready and capable of building and maintaining a permanent home for this fraternity. This is something that we will all be able to enjoy for years to come. This is also a good opportunity to contribute and be a part of the recent success. We need to ensure that the future of the chapter is secure and all this work is not wasted. We have established a system that works, and all brothers are brought in and contributing above and beyond expectation. The excitement and brotherhood is at an all time high, and we want to use this momentum to oil the wheel that is already rolling. **WE CAN'T DO THIS WITHOUT YOU.** The chapters relationship with the alumni is at an all time high, and we realize that you guys are just as much of an asset as we are to the future of the Omicron Rho Chapter.

# Upcoming Events Fall 2016

## Tailgates

We have one of the best locations of any greek tailgate. The owner of Bash Riprocks, who is also a TKE was so kind to let us rent out the bar for gamedays. We have an entire backroom with pool, live music, and our own personal bar. All drinks are \$1 and the only fraternity with an indoor and outdoor tailgate. We had an excellent turnout for the first game, and we are looking forward to seeing all of you guys at the Alumni Tailgate for the West Virginia game.

## Brotherhood Events

This semester we have a lot of fun brotherhood events that we plan on doing. We plan on taking a fraternity dove hunting trip, and also traveling to the Arizona State game next week to chill with the TKE chapter there.

# Alumni Weekend

We will be hosting our annual alumni weekend coming up on the October 15th weekend. We are expecting a large turnout for the 40th year anniversary of the omicron rho chapter, so don't miss out!

We will be hosting our tailgate at Bash Riprocks (TKE alumni) and will have indoor and outdoor accommodations. If you have any questions email me or get into contact with Chino Chapa

## TKE of the Month

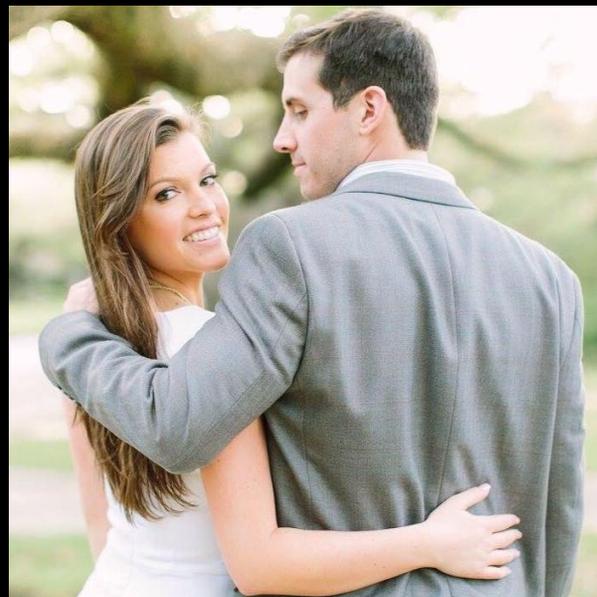

### Eric Boecker

Eric is currently the Rush chair and has done an excellent job.

We got the biggest spring class in years and 32 kids to top off the fall semester. The chapter would like to recognize the hard work you put into the 2 pervious rushes.

## Alumni Of the Month

### Bryan Schiller

Congratulations to frater Bryan Schiller on his new bride. Bryan was a refounder of the chapter, and really paved the future success of the fraternity. The chapter would like to extend its thanks and congratulate you on your marriage.

# Honoring a lost brother

**Brandon Robinson**

Earlier this month the chapter received news that a fellow brother was in a bad motorcycle accident and lost his life. He was a part of the chapter during refounding years and will be greatly missed. Prayers for the Robinson family and all the people he was close to. The world lost a great man, but his memory will never be forgotten.
