Alumnus Receives Special Tony Award

To brothers who knew **Miles Wilkin 284** during his time spent at the University of Florida, it comes as no surprise that his passion for theatre and theatre production translated into his career. Since then, Wilkin has taken the theatre community by storm.

As a six-time Tony winner, Wilkin is COO and Executive Vice President of Key Brand Entertainment and responsible for the vision and development of "Broadway Across America's" substantial touring network, which has only expanded over the years. "Broadway Across America" recognizes that not everyone can travel to experience New York's fantastic Broadway productions, thus, the company takes the productions to cities across the United States providing millions with Broadway theatre productions right in their communities.

Wilkin set the groundwork to create the market and system for touring Broadway productions. With all he has done for the theatre community, it is no surprise that Wilkin received a *Special Tony Award* this year.

This non-competitive and honorary award recognizes the achievements of individuals and organizations. Those who know

Undergraduate Brothers Recognized for Achievements

Brothers of Gamma Theta continuously receive recognition for going above and beyond their duties. During the spring semester, the chapter remained involved in campus activities and leadership positions, while maintaining a 3.2 GPA.

Over the past year, the University of Florida elected many brothers to important positions on campus. Omarley Spence 984 and Zachary Kravetz 931 will serve on Student Government in the fall. Kravetz received the appointment of Executive Secretary of Campus Safety and Spence received the appointment of Preview Staffer. Jacob Faubion 950 was named a senator for the summer. Ryan Owens 952 received the appointment to Student Conduct Committee. Additionally, both Anthony Temeliescu 942 and Zachary Kravetz serve as Resident Assistants on campus. The election of these young men to these positions on campus is just a small glimpse of the involvement and participation Tau Kappa Epsilon has on campus. There is no doubt that Gamma Theta brothers are some of the best and brightest on the University of Florida campus.

Recently, headquarters recognized TKE Florida's hard work with three awards, excellence of achievement in extracurricular activities, alumni relations and community relations. It is an honor for the brothers to receive these accolades from headquarters and know it is due to their own diligence and dedication.

TEKE Talladega 2016 Brings Greek Life Together to Support St. Jude

On February 23, 2016, thirty sorority teams raced around an 800-foot twisting and turning track in the fourth annual TEKE Talladega! The event, held at Skate Station Funworks in Gainesville, is a four-hour go-cart race allowing teams to compete against each other to win the championship title. All proceeds from the event benefit St. Jude Children's Research Hospital.

"We had an excellent turnout at TEKE Talladega this year," said **Ryan Cullen** 928. "I am proud of our fraters and the Greek Community for hosting and participating in events that give back to the community."

This year, Delta Phi Epsilon joined the winner's circle as the victor of TEKE Talladega. Sigma Kappa also took home a winner's cup as the team who raised the most money.

Annual Red Carnation Ball 2016

Brothers enjoyed wrapping up a successful year at the annual Red Carnation Ball. The ball gives brothers a chance to dress up and attend dinner with a date of their choice, and to receive recognition for their accomplishments throughout the year.

Gamma Theta held this year's ball at Callaway Gardens in Pine Mountain, Georgia over the weekend of April 1-3, 2016. An evening beneath the Georgia pines with lightening bugs dancing through the trees and the soft sound of crickets filling the night air was the perfect combination for an excellent evening.

Twenty-nine brothers made the five-hour trip to Callaway Gardens to attend the event. Several brothers were recognized that evening for their accomplishments throughout the year. **Stephen Boyd 915** received the Frater of the Year award, **Chris Carey 935** the Athlete of the Year award, **Zachery Stephan 922** the Recruiter of the Year award, **Patrick Allman 919** the Serviceman of the Year award and **Matthew Epstein 918** the Past Prytanis award. Last, but certainly not least, Ms. Leah Knight of Gamma Phi Beta was named Chapter Sweetheart.

The event was a great success and brothers treasured their time spent celebrating the end to an excellent year.
