Upsilon-Iota Chapter

SPRING 2016

Spring Rush

Our Rush Committee, led by Josh Gudat, started planning toward the end of fall semester. Rush events included Taco Tuesday, laser tag, a networking event with alumni at the Columbia Club, bowling, and more! Pictured above are candidates for Spring 2016 at their Induction Ceremony, held on February 9th in the University Library. Each potential member of the Upsilon-Iota Chapter has been placed with a big and will be going through education, lead by frater Thomas Ogg. The potentials include: Dylan Bilbee, Christopher Dugan, Jared Gutierrez, McKain Harper, Seth Jackson, Vincent Sarkine, Bradley Sullivan, and Evan Yoho. A special thanks to Josh Gudat for putting in so more effort and time to create an amazing rush.

Triangle Summit

- Triangle Summits will focus on developing a mix of leadership and management skills necessary for all TKE members. Through a three-point plan, Triangle Summits look to enhance the TKE experience in 1 - Membership Recruitment and Development, 2 - Alumni Relations, 3 - Goal Setting and Achievement.
- We were able to send 9 brothers this year to the New York / New Jersey location February 5 – 6. Fraters in attendance include: Efrain Alvarado, Grant Durnill, Nick Grimmer, Andrew Jerdonek, David Lopossa, Mitchell Maes, and Matt Paronish. Our sweetheart, Katie Lichtenberger, also went!
- Frater David Lopossa thinks, “we learned many methods of recruitment and long term success that we can use to better serve our chapter needs.” It sounds like this trip is really going to be helpful in the upcoming semesters!

Jagathon: IUPUI's Dance Marathon

- Twelve-hour event in which students raise money for Riley Children's Hospital.
- During the event dancers stay on their feet to show support to the families and children of Riley Hospital. "We stand up for those who cannot stand for themselves."
- We were placed on the **Pink Team** with Phi Mu.

\$140,049 - IUPUI

\$1,800 - TKE

**Thank you to all of the brothers who helped raise donations. A special thanks to our newly initiated member and chapter Historian, Aaron Hawkins, for raising \$665!

CYO Science Fair

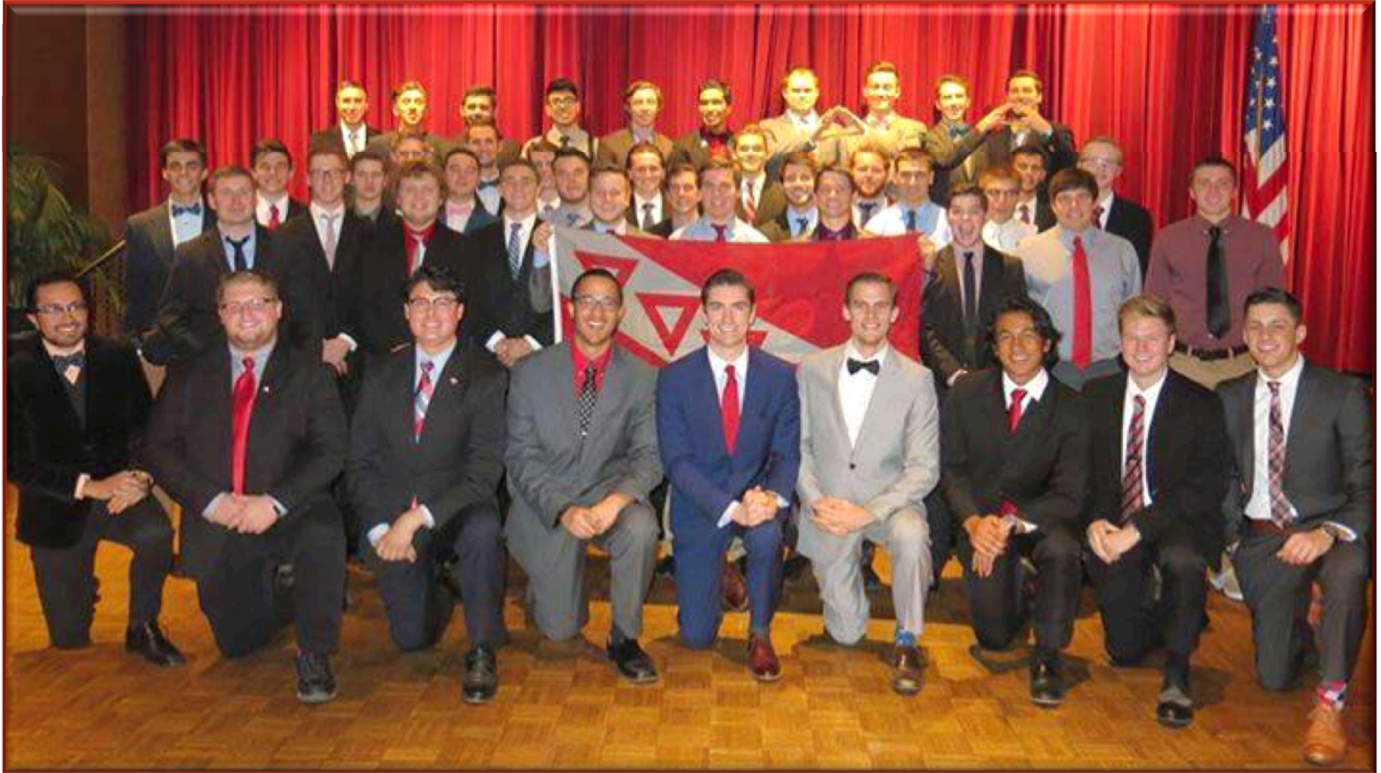

Our Chapter mom, Bernie, had requested some brothers help judge the CYO Science Fair. A big thanks to those who were about to help out, even with Jagathon in the evening!
